2

### *Online tax registration of the Tax Identification Number (NIF)*

#### Registration Portal

This portal allows economic operators to register remotely. The tax identification number (NIF) is assigned remotely via the following web address:

<https://nifenligne.mfdgi.gov.dz>

#### Decentralization of the procedure

This procedure consists of the decentralization to the level of external services of the General Directorate of Taxes, of the issuance of the Tax Identification Number (NIF) to taxpayers.

## BUILDING A GROWTH-FRIENDLY TAX ENVIRONMENT

3

### *The portal of online Tax Identification Number “NIF” authentication*

Tax identity verification

Secured authentication

Commercial and administrative operations

Validation during transactions

Banking and customs operations

Verification for institutions

This portal is dedicated to the authentication of the Tax Identification Number (NIF) presented by a taxpayer during administrative procedures or during commercial, customs, banking or other operations.

## BUILDING A GROWTH-FRIENDLY TAX ENVIRONMENT

4

## The Portal “TABIOUCOM”

The screenshot displays the TABIOUCOM portal interface. At the top, there is a header with the email address [tabioucom@ml.gov.dz](mailto:tabioucom@ml.gov.dz) and the phone number (213) 21-59-51-51. Below the header, there is a section titled "الدفع الإلكتروني للطابع الجبائي" (Electronic payment of the stamp duty). The main content area shows a form for "الرجاء إدخال معلوماتك الشخصية" (Please enter your personal information). The form includes fields for "رقم الهوية الوطني" (National ID Number), "الاسم" (Name), "الجنس" (Gender), "تاريخ الميلاد" (Date of Birth), and "تاريخ الإثبات" (Date of Issuance). There are also icons for "الدفع الإلكتروني" (Electronic payment), "الدفع بالبطاقة" (Payment by card), "الدفع بالبنك" (Payment by bank), and "الدفع بالعملة" (Payment by cash).

### Payment of tax stamp duties

For some administrative documents

### Use of EDAHABIA or CIB bank cards

Secured electronic payment

### Biometric documents

Passports, Driving Licence and Identity Cards

Digital platform allowing citizens to pay online, by CIB interbank card or EDAHABIA card, the tax stamp duties applicable for the issuance of some administrative documents.

This system is applicable, in a first phase, to biometric documents (passports, Driving Licenses and National Identity cards in specific cases).

## BUILDING A GROWTH-FRIENDLY TAX ENVIRONMENT

### *Conclusion*

### Modern taxation

The digitalization of tax services is a key lever for a modern, fair, and accessible tax system. It meets taxpayer expectations for simplicity and transparency. This transition strengthens both administrative efficiency and public trust.

**THANKS**
